I need 14 liters every week, how we distribute it, doesn't matter as long it's stable 😊

Hi please can I order 6ltr milk for tomorrow morn after 9:30?

Yes madam, and our shipper will collect all empty bottles at your place too. Total 11 empty bottles. Thank you!

We are putting together costs for our cafe that will open after the end of lockdown. What size containers are available for fresh whole milk? I think that 1 or 2L would be our target but we are flexible. For Greek yogurt (thick), what types of containers are available? Maybe 1L?

Yes I love your creamline milk. I think 500ml may be wasteful and more expensive than a bigger bottle

Oh, so have you tried our products yet?

Sữa béo, siêu ngon

Cũng uống nhiều sữa tươi trên thị trường. Nhưng sữa của quán này thì theo kiểu khác hoàn toàn.
+ Chai thủy tinh cực kì cute
+ Sữa tươi siêu ngon, fresh quá xá
+ Sữa chua uống thì khỏi phải bàn, nhiều vị, dễ uống
Chắc chắn sẽ quay lại
